OPEN EVENT INCENTIVE PROGRAM

The Open Event Incentive Program rewards both Riders and Horses that excel in all-breed competitions outside of the traditional Arabian horse community. As a participant in OEIP, you and your horse will accumulate points based on how you place in competitions and be rewarded for all of your achievements and hard work.

Riders who participate in OEIP will earn recognition and awards based on the number of points they accumulate. In addition, the horses used in these competitions will automatically have their accomplishments recorded in their permanent event record in the Arabian Horse DataSource world database.

Horse owners that do not compete as the rider may also join the program and enter horses they own without the

rider being part of the program.

NOTE: Participation in any Arabian Horse Association program requires a current membership with the Arabian Horse Association.

Program participants are defined as an individual rider or owner, not a specific horse and rider combination. This means that as a rider, you may ride any number of horses, regardless of whether you own them or not, as long as they are all Arabians, Half-Arabians or Anglo-Arabians registered with the Arabian Horse Association.

REWARDS

The Open Event Incentive Program rewards riders and Arabian horses that compete in OEIP events with the following awards and recognition:

OEIP Horses - OEIP recognizes the success of individual Arabian, Half-Arabian and Anglo-Arabian horses in OEIP events by recording accomplishments in each horse's permanent event record in the Arabian Horse Association's Arabian DataSource.

OEIP Competitors - After reaching each major point milestone, OEIP participants will receive a Lapel Pin identifying their achievement level. Milestones are reached at 10, 20, 60, 100, 250, 350, 500, 750, 1000 points.

High Point Achievers - The annual High Point Achiever from each event category (for both national and local event divisions) will receive a trophy at the end of each calendar year, plus photo recognition on the AHA website.

NOTE: Competitors must reach at least 10 points in a category to qualify for the annual high point award. Awards are based on points earned between January 1 and December 31 of that year.

RECOGNIZED EVENTS

OEIP accepts most types of events. The following criteria apply to events and hosting organizations:

- The event must be approved by a national or local organization that keeps an official performance record for each horse entered in the event.
- The host organization must have an established governing body.
- The host organization must have a show manager at the event who will sign the Event Report Form presented by the exhibitor/competitor.
- The host organization must also maintain permanent event records at a central location for at least one year where event participation can be verified.

The following categories are currently approved for all-breed competitions hosted by national organizations.

- Barrel
- Combined Driving
- Competitive Mounted Orienteering

- .Eventing
- .Competitive Trail Riding
- .Mounted Shooting
- .Cutting
- .Dressage
- .Driving
- .Endurance
- .Reining
- .Ride and Tie
- .Roping
- .Sidesaddle
- .Stadium Jumping
- .Team Penning
- .Vaulting
- .Working Cow Horse

The following categories are currently approved for all-breed competitions hosted by Local Organizations and 4-H.

- .Halter
- .Hunter Equitation
- .Hunter Pleasure/Hunter Hack
- .Leadline
- .Miscellaneous (native costume, liberty, combination, most classic, sidesaddle)
- .Saddleseat Equitation
- .Saddleseat Pleasure (English, Park Horse, Country English)

POINTS

Points are calculated automatically based on event placement and other criteria. You can review the calculations for different events/classes by using the OEIP Point Calculator on the AHA website. Local open shows are eligible when hosted by a pre-approved

organization, but competitors accumulate points at half the rate of events hosted by an approved national organization. Even so, awards based on local open show competitions are awarded separately from awards for all other events.

**** The Arabian Horse Association does not recognize points earned prior to enrollment in the Open Event Incentive Program****

After you have filled out the Incentive Program Sign-Up Form, you will use your username and password to access your account and log your performance accomplishments. Riders can accumulate points in a category, regardless of which Arabian horses they ride (as long as it is a registered Arabian, Half-Arabian or Anglo-Arabian.) In the same way, horses can earn and accumulate points in a given category regardless of who the rider is. Either the rider or, if different, the owner can enter the event information online and submit the Event Report Form to the Arabian Horse Association.

Do not report entries more than once for a rider or horse. If the rider reports the entry, the horse owner (if different) does not need to. A horse owner can report entries for the horse if the rider is not in the Open Event Incentive Program.

Since all of the Incentive Programs are online, you will enter your accomplishments directly in the online OEIP Log after you participate in an event. Next, turn in the completed Event Report Form within 60 days, signed by the event manager. As soon as you enter the event information in the online OEIP Log and the Arabian Horse Association has verified it against the completed Event Report Form, points will be recorded and calculated toward the annual High Point Category Awards for riders and recorded in the permanent event record of the horse in the Arabian Horse DataSource world database.

Open Event Incentive Program participants are required to send in an Event Report Form signed by the event official stating that both horse and rider did enter the specified class and placed accordingly.

Event results must be entered and the Event Report Form returned along with the processing fee within 60 days following the event date in order for the results to be accepted (December events have a 30 day deadline to expedite High Point calculations). During that time the event results will remain pending until AHA receives your signed Event Report Form and the \$3.00 online processing fee per event--that's per event, not per class!
